

DR. WILLIAMS A GOOD FARMER

Harvested 33 Bales of Upland
Cotton From 21 Acres.

HAY CROP WAS PROFITABLE

It is Said That Last Year He Netted
\$8,000 on This Crop Alone, and
Expects to Realize \$10,000 the Com-
ing Season—A Practical Man.

Dr. Abner B. Williams, who con-
ducts a large farm of 1,400 acres near
Alachua, upon what is known as the
Haines plantation, has demonstrated
with considerable profit and satisfac-
tion that farming in Florida pays, if it
is conducted on business-like and prac-
tical principles.

Last year Dr. Williams, feeling con-
fident that short staple cotton could
be grown in this county at a greater
profit than long staple, or Sea Island,
as an experiment planted twenty-one
acres, with the result that the plant
thrived well and the harvest amounted
to thirty-eight bales, which he market-
ed in Savannah at 11 cents per pound.

But Dr. Williams' long suit is hay,
and every year he makes a good thing
financially from this crop. Last year
he netted \$6,000 on hay, and the com-
ing season expects to realize \$10,000.
He has been accustomed to bale his
hay and sell at \$10 per ton, f. o. b., at
his farm, which is on the Atlantic Coast
line. The production is said to be as
fine as is grown in the United States,
and the demand is ready, the greater
part of the crop being sold to Tampa
wholesale merchants.

Dr. Williams believes that if the
farmers would become cured of this
long staple fever and plant short cotton
and more of other standard crops, they
would in the end find the experiment
more profitable.

If the Baby is Cutting Teeth

Be sure and use that old and well-
tried remedy, Mrs. Winslow's Sooth-
ing Syrup, for children teething. It
soothes the child, softens the gums,
relieves all pain, cures wind colic and is
the best remedy for diarrhoea. Twen-
ty-five cents a bottle.

MOZLEY'S LEMON ELIXIR

REGULATES THE
LIVER,
STOMACH,
BOWELS,
KIDNEYS.

The inventor of the famous "TER-
RELL SCRAPE," a man known wher-
ever plows are sold and used, says:

"I have used MOZLEY'S LEMON
ELIXIR for 10 or 12 years in my
family for the stomach, liver and kid-
neys, and find it the best medicine I
have ever used. It is also a sure spe-
cific for pain in the back or under the
shoulders. I have recommended it in
numerous cases to my workmen, when
sick and unable to work, and it has al-
ways given perfect satisfaction. H. D.
TERRELL, President Atlanta Plow
Co., Atlanta."

MOZLEY'S LEMON ELIXIR.

IS EXTENDING BUSINESS.

Gainesville Fish Company Will Estab-
lish Camp at Gulf Hammock.

The Gainesville Fish Company, of
which John L. Chesser is manager,
which has been engaged in the fishing
business at Alachua Sink for the past
two years with great success, finds the
demand so great that the supply from
this camp is inadequate, and as a con-
sequence has decided to establish
another camp at Gulf Hammock, five
miles distant from Otter Creek, which
will be the shipping point.

Few people realize the importance
of the fishing industry in this vicinity.
Mr. Chesser stated that the demand is
so great he could dispose of five car-
loads per day if he could get them.
This firm ships fish to points all over
the lower South.

Sprains.

S. A. Read, Cisco, Tex., writes, March
11, 1901: "My wrist was sprained so
badly by a fall that it was useless; and
after using several remedies that failed
to give relief, used Ballard's Snow
Lotion, and was cured. I earnestly
recommend it to anyone suffering from
sprains." Sold by W. M. Johnson.

HEAVY TRAIN ON THE SEABOARD

Train With Fifty-Two Cars and
Two Engines Passed City.

NEARLY A HALF-MILE LONG

It Shows That People of the State Are
Again in Good Condition, and That
They are Prosperous—One of Long-
est Trains for Years.

Probably the longest and heaviest
freight train ever carried through
Gainesville, either before or since the
fatal freeze, which dates in a commer-
cial way the existence of our State,
was that which passed south over the
Seaboard Air Line Tuesday afternoon.

The train was one of the longest and
heaviest ever pulled in the State, com-
prising fifty-two cars, two engines and
caboose, which made a train nearly a
half-mile long.

Another astonishing feature of this
train was the fact that every car was
either full or partially loaded, and
was assigned from forty-seven differ-
ent points in the United States to
Gainesville and stations on the Cedar
Key and Early Bird divisions of the
Seaboard.

The Seaboard is enjoying an excel-
lent freight and passenger traffic now,
which is evidence that the State is
prosperous. The day has passed when
the people are dependent upon what-
ever may "turn up" for a living. The
farmers and fruit growers are doing
well, the merchant prospers, and as a
whole the State is in the best commer-
cial condition it has ever been.

Florida is not only in a healthy com-
mercial condition, but the State is
growing rapidly in population, and va-
cant lands are being taken up and cul-
tivated everywhere. People from other
States are becoming to recognize the
advantages offered here, and are
availing themselves of the opportunity
to come to Florida and live with ease
and luxury with less exertion than in
other places. This does not mean that
they will probably not have to work as
hard, but the harvest will prove so
much more prolific with the same la-
bors.

Like Finding Money.

Finding health is like finding mon-
ey—so think those who are sick. When
you have a cough, cold, sore throat, or
chest irritation, better act promptly
like W. C. Barber of Sandy Level, Va.
He says: "I had a terrible chest trou-
ble, caused by smoke and coal dust on
my lungs; but, after finding no relief
in other remedies, I was cured by Dr.
King's New Discovery for consump-
tion, coughs and colds." Greatest sale
of any cough or lung medicine in the
world. At all drug stores; 50c and \$1;
guaranteed. Trial bottle free.

Funeral of Mr. Pellett.

The funeral of J. D. Pellett, the
death of whom occurred at his home
three miles west of the city Saturday,
was held Sunday afternoon, the inter-
ment being in Evergreen cemetery.

The services were conducted by Rev.
T. J. Nixon of the Methodist church,
and many friends of the deceased
gathered to pay their last respects.
There were many handsome and fra-
grant floral decorations.

Beautiful Women.

Plump cheeks, flushed with the soft
glow of health and a pure complexion,
make all women beautiful. Take a
small dose of Herbine after each meal;
it will prevent constipation and help
digest what you have eaten. Mrs. Wm.
M. Stroud, Middlethian, Tex., writes,
May 31, 1901: "We have used Herbine
in our family for eight years, and
found it the best medicine we ever
used for constipation, bilious fever and
malaria." Sold by W. M. Johnson.

Off to Tallahassee.

A number of young ladies, among
whom were Misses Lena Baird, Pearl
Whetstone, Gertrude Westgaard, Clara
and Eva Dean, left for Tallahassee
Tuesday, where they will enter the
Woman's College. The people of
Gainesville have a great deal of con-
fidence in these young ladies and feel
that they will not be disappointed in
them.

A Clear Complexion and Bright Eyes.

In most cases a sallow, blotched com-
plexion and dull heavy eyes are due to
poor digestion and an inactive liver.
Orino Laxative Fruit Syrup aids diges-
tion and stimulates the liver and bow-
els and makes the complexion smooth
and clear. Orino Laxative Fruit Syr-
up does not nauseate or gripe and is
mild and pleasant to take. Refuse
substitutes. J. W. McCollum & Co.
